The game can seamlessly blend with a banquet or buffet setup, allowing participants to enjoy food and drinks as they play.

# HOW IT WORKS

- ✓ 7 rounds, 2 hr. per game, 2 breaks (timing, duration, breaks, and rounds can be adapted to your request).
- ✓ Questions cover diverse topics from Leo DiCaprio to dinosaurs (complexity levels can be tailored to your request).
- ✓ Teams are formed for the game (e.g. each table at a banquet serves as a ready-made team).
- ✓ Answers are written on special forms, collected after each round by our assistants. Points are awarded for correct answers, and the team with the most points wins.
- ✓ An awarding ceremony concludes the game.
